

### **NIOSH Updates to ISA for 2023:**

In the [Vocabulary/Code Set/Terminology section](#), under the [Work Information](#) tab, Representing Job, Usual Work, and Other [Work Information Templates](#) page:

NIOSH suggests adding the following HL7 value sets under the Applicable Value Set(s) and Starter Set(s) section as they are in the interoperability standards for sharing work information:

1) Representing Employment Status:

- Add HL7 value set:
  - Text to display: HL7 ValueSet: employmentStatusODH (urn:oid: 2.16.840.1.113883.1.11.20562)
  - Link: <http://terminology.hl7.org/ValueSet/v3-employmentStatusODH>

2) Representing Work Schedule:

- Add HL7 value set:
  - Text to display: HL7 ValueSet: WorkScheduleODH (urn:oid:2.16.840.1.113883.1.11.20561)
  - Link: <http://terminology.hl7.org/ValueSet/v3-WorkScheduleODH>

3) Representing Work Classification:

- Add HL7 value set:
  - Text to display: HL7 ValueSet: WorkClassificationODH (urn:oid:2.16.840.1.113883.1.11.20560)
  - Link: <http://terminology.hl7.org/ValueSet/v3-WorkClassificationODH>
